

## **SAARADHI-NSS**

Here are the events on the two days of SAARADHI theme in CONVERGENCE, 2018 where TEAM NSS brings out a platform for engineers to be a part of it. We have four events along with stalls.

### **EVENTS:**

1) **SOCH:** Let's engineer the tomorrow at "SOCH". Valuable ideas i.e., technical solutions in the form of presentations, models, projects that are related to social issues can be presented. The first best idea would be given a prize of Rs.1500, second best Rs.1000 and third best idea of Rs.500.

Cash prize: first prize-1500, second prize-1000, third prize-500

Open event

Organisers: Ahmed-8639115045-civil , sasank- 9491542203-mechanical

2) **WILL YOU BE MY TEACHER:** In learning you will teach, and in teaching you will learn."Inspiring the young aspiring minds which are blossoming and are ready to dream, setting their life goals. A hope is all that could be offered by us.

Open event

Organisers : Nayeem- 9573738369-CSE, Harsha- 9533344427-Civil

3) **I AM NOT A HERO:** "STRIVE NOT TO BE A SUCCESS, BUT RATHER TO BE OF VALUE". It is a Forum with those inspiring individuals who took up the rugged path to make this society a better place for living. Let those heroes who say "I am not a Hero" start their journey into light from here.

Open event

Organisers: Praneeth- 9515736460- ece, Mohith- 9505266250- eee

4) **IGNITE:** With the sole aim of igniting the minds, a collection of such projects, how small projects can be rectified to provide a greater social impact.

Open event

Organisers: Sai Kiran-7330926964-mechanical, Masroor Ahmed- 7981964283-mechanical.

### **STALLS:**

1) **AAROGYA:** This stalls includes different types of millets which are grown using organic manure.

Open event

Organisers: -Leela SaiNadh-8328265166-EEE , Abhinav-7330926964-Mechanical

2)**AAVISHKAAR:** It is about the recent inventions, that would help in solving the problems like Delhi pollution etc. The models which we exhibited includes Smart water cannon, Smog air tower, Edible Cutlery etc.

Open event

Organisers: -Sai Deep-7993478042-EEE,Koushiki-9959465603-civil

3)**NSS GALLERY:** We have a VISION and a MISSION for every event which we do. This gallery helps the audience in knowing the vision and mission of the events which we do, and throwing a light on the solutions for the problems which we are trying to solve.

Open event

Organisers: -Mahe Jabeen-9177429659-ECE

2) **PARISHEELAN:"CASE STUDIES"** It doesn't take a minute for today's typical Indian to comment on a particular issue. Almost every person is framing an opinion on an issue with no great knowledge about it, finally leading to many undesirable consequences, unnecessary abuses and actions, here is one effort of us to put in front few case studies about few un-cared issues with few engineered solutions also, portraying how important a role of engineer is in solving those problems, eventually finding one plausible way of reacting to today's issues .

3) Open event

Organisers: -Suresh-8686286059-Mechanical,Kushala-9542214919-EEE
