

# TECHNICAL SKETCH-O-GUESS

## ROUNDS:

Day – 1: Prelims

Day – 2: Finals (20 Teams)

## RULES:

1. It is a team event. Minimum 2 are allowed in a team.
2. You need to register individually and then you need to form a team at the time of event. (Formation of team is at your own risk)
3. Only registered members are allowed to participate.
4. One of the team members will be given with the name of a technical term/process/theorem.
5. He/she should sketch it so that the other member of the team would guess it.
6. Each team will be having proper time limit. No extra time will be given. The best performed teams will be having better chances to advance to the Finals.
7. The participant can express only by sketching and not by words.
8. The necessary materials for sketching will be provided.
9. College ID card is must.
10. Any type of misbehaviour OR cheating will lead to direct elimination.

## PRELIMS:

1. This round consists of certain questions.
2. One participant is shown a technical term/process/theorem and is requested to sketch it, while the other is let to guess it.
3. Time limit will be given for each question.
4. For every right answer, the team will get 5 points(sketching) and 5 points(guessing) based on their work.
5. The participant can skip the question, if he/she doesn't know the answer.
6. Top 20 teams will be selected for final round.

## FINALS:

1. This round consists of certain questions.
2. In this round, the name of the term/process/theorem will not be given rather a short description of it will be given.
3. The participant has to find it and deliver it to their team member.
4. For every right answer, the team will get 5 points(sketching) and 5 points(guessing).
5. The participant can skip the question, if he/she doesn't know the answer.
6. Top 3 teams will be declared as winners.

**EXCITING PRIZES AWAITS THE  
WINNERS!!!**
