

MADOMANIA

Team Consists Of Two Members

Round 1- Brand Factory

Each team will be given 10 chits. Each chit consists of a brand name or scientific name of an object. The members of the team have to find that object and get it. The object will be in the room itself.

Round 2- Red Alert

There will be 20 squares projected on the board. Lights will blink on all squares randomly except one. The team members have to identify that one square and if they answer correctly they get a chance to answer the question.(rapid fire). They can also use lifeline(clue). They get 10 points if they find the odd square and 5 points if they answer the question correctly. They will be awarded only 5 points if they answer after usage of lifeline.

Round 3- Fastest Brain First

There will be 6 themes. There will be 5 questions in each theme. An aptitude question will be given and the team which answers that first will be given first chance to select a theme and answer questions related to that theme. A theme once selected by one team cannot be selected by other teams.
